It's 404, but you can't create it (shows yellow status) which means that it was deleted by reentry admins due to reports, not by fix.

 Yeah, I've already added some extra paragraphs and whatnot for various anons. Everyone's gonna get their requests on the 2nd, barring Proton limits, and then you've got two weeks to cook.

 To quote a semi-viral post that Librarian forced onto my feed by replying to it,
 >Yall lowkey sleeping on balatro porn
 On a related topic, I finally found a /y/ poker-related fanart to match my /u/ ones. This is a threat.
